

Rio Family Card

The Family Card gives families a fun and interactive way to talk about faith. Each month's card features fun activities, thoughtful discussion questions, and a look at what's going on with Christians around the world.

The cards relate directly to each unit theme, which is always the same for all three age levels. Now families can discuss what they learned about God throughout the week, no matter what age group they're in.

What if.....

**Kids grasp that God
guides their lives?**

**Kindergarten through 5th Grade
Curriculum**

RIO IS NOT SIMPLY ABOUT- FEEDING THE BRAIN. IT'S ABOUT FORMING THE HEART.

Rio teaches kids what it means to live out God's Word in real life. Rio approaches God's Word and the Christian life in a way that is formative, allowing God Himself to shape children into His likeness.

The Goal of every lesson is to provide a path that takes leaders and children on a journey through discovering God's Word and hearing His Voice. It is the Holy Spirit who ultimately reveals His truth to each child in a way that is unique to each individual. Therefore, the backbone of every lesson is the Scripture Passage.

As a result, Children benefit from an integrated experience. Rather than waiting until the end of the lesson to discuss life application, they discover what God is saying to them personally as they explore the Bible passage. Every activity is engaging and Purposeful.

**What if...
Understanding the Bible was
more about living Scripture than
simply learning it?**

Rio lessons are flexible, easy-to-follow and have some great components that you and your kids will love. Take a look at a typical lesson flow...

Heart Prep.. the first step in the lesson invites leaders to reflect on the Bible passages and allow God to work in their own hearts first.

Connect.. provides a context for the leaders to get to know their kids and their families. And it invites kids to get to know each other and their leader too.

Breakout.. Activities that can be used to customize the Rio experience to fit the church, leaders and kids.

Go Deep.. A time to pause, ponder and respond to God's Word. Rio does this through quiet reflection, Activity Pages, Prayer, artistic expression and worship.

Reconnect.. Brings the lesson full-circle. Kids and leaders connect relationally and are reminded of God's goodness as seen in each Rio Lesson.
