The Benefits of Kingdom Giving For The Church

- Many ministries which would go unfunded may be put in place.
- We can help more people and increase God's Kingdom. The boundaries of our ministry will be enlarged.
- An established source of funds will allow NFCC to commit to programs or missions that are currently not possible.
- We will have the resources to go above and beyond our current ministries.
- We can have even greater Kingdom impact.

How Can I Contribute?

Most of the contributions for the Kingdom Endowment Fund will be through current giving. Gifts may be any amount, and may be in the form of cash, securities, or other assets. Endowment gifts may also be made in the following ways:

- **Memorials**—A gift in memory of a family member, friend, or other loved one.
- **Bequests**—Wills and estates naming NFCC Kingdom Endowment to receive funds or property.
- **Trusts**—Naming NFCC as beneficiary of a lifetime trust, providing income each year.
- **Property, Stocks, Life Insurance, Annuities or other investments**

The Benefits of Kingdom Giving For The Giver

- Church members can provide lasting financial support for Christian ministry through Nations Ford, the Church they love and hold dear.
- These gifts are an investment in special ministries into the future; these funds are not intended for the normal budget or operating expenses of the Church.
- Donors can honor a certain individual or direct funds to special ministries.
- Certain tax benefits can dramatically stretch your donation, without taking away from your heirs. Utilizing the tax laws appropriately is responsible stewardship.
- Kingdom Giving allows members to communicate their values about wealth transfer to heirs and others.
- You can control the process and enjoy the satisfaction of knowing your resources are supporting eternal Kingdom priorities.
- You may be able to establish an income stream for yourself or your heirs, while giving some or all of your estate to Kingdom Giving. The donor is able to take care of himself, his heirs, and the Kingdom of God.

Kingdom Giving At Nations Ford Community Church

Giving to the Lord's work is a form of worship motivated by our love for God. Our tithes and offerings support the ongoing work of the Church.

Other giving may take the form of special offerings for a specific purpose or estate giving as a way of honoring the Lord as a part of the distribution of resources through wills, trusts, and other end of life financial transactions.

Nations Ford Community Church has established our Kingdom Giving program to encourage consideration of this type of giving, as a part of the estate planning process.

Kingdom Giving is a way to provide funds in perpetuity for what God wants to accomplish through Nations Ford Church for many years to come. With a far-reaching mission and financial obligations that extend into the future, Nations Ford needs permanent financial support for ministries and missions that are not currently possible.

Kingdom Giving is for everyone, for any size gift, for God's eternal glory!

The Nations Ford Kingdom Endowment Fund has been established as a way to provide managed investment services for these types of gifts. Regular designated gifts can also be made to carry out the donor's wishes.
